

NGA Challenges

Challenges have become an integral part of the Nanaimo Group of Artists. Two to three times during the year, a challenge is posted. Additionally, a sketchbook challenge is prepared for the summer months. Participation is optional.

Pieces submitted to a challenge must be original in composition, rendering and have been completed for the challenge. Framing is not a requirement of participation.

The challenges will alternate between a \$20 gift certificate from Iron Oxide to the winner, selected by a silent vote of the members, or a draw from the challenge participants.
